* Not based on the Kansas Academic Standards.

Giant school sizes are per student prices, which are sold in increments of 50 students with a minimum purchase of 500 students per grade level and school building.

On-site Training: An on-site training session for your teachers costs \$300 plus travel time, which is \$30 per hour of driving. If the trip requires an overnight stay, an additional \$150 in hotel fees will be applied. Training session lasts up to 2 hours.

Online Training: An online training session via our online training tool costs \$150. Your school is responsible for setting up a classroom with a computer, a projector, and a speakerphone. The training session lasts up to 1 hour.

For multiple school purchases within a district and district-wide purchases, please price each building individually. Multiple building purchases may be eligible for district level discounts. Please call for details: 800.419.3191.
