Turn any whiteboard into an interactive whiteboard

When used with a multimedia projector, you can use the ergonomic Mimio Mouse stylus like a cordless mouse to control (click, right click, drag and drop) computer applications and documents directly from the whiteboard.

- ◆ Control PowerPoint slides, Word documents, Excel spreadsheets
- ◆ Browse educational websites on the Internet
- ◆ Navigate interactive instructional CDs
- ◆ Annotate, mark-up, and edit slides or screens directly at the board

Perfect for presentations, training or instructional sessions and front-of-class teaching. Enables students to be more interactive and engaged.

Cost...less than \$700 per set

- ◆ Great value, save money
- ◆ Easily shared between staff members
- ◆ Can be wireless
- ◆ Capture training sessions
- ◆ More information at: <http://www.mimio.com>
